

SMART MARKETPLACE TECHNOLOGIES

VQ Labs enables you to grow your business with the state-of-the-art technology.

Launch Your Customized Marketplace

Get new products in your customers' hands faster and build your own customized e-Commerce/marketplace platform with VQ-Marketplace.

We enable your users to interact in a platform with minimum effort.

Entrepreneurs and Startups:

Do you have a great idea for the next big thing? We can team up with you and provide both technology for your startup and as well as years of experience in e-Commerce and Shared-Economy solutions.

Small and Mid-Sized Business:

You want your business to go online? Bring your clients together in an online platform, increase your business' presence and get more conversion.

Solutions for Marketplace

E-Commerce (One-sided)

One-sided marketplace is where you act as the seller of your products, services or rentals.

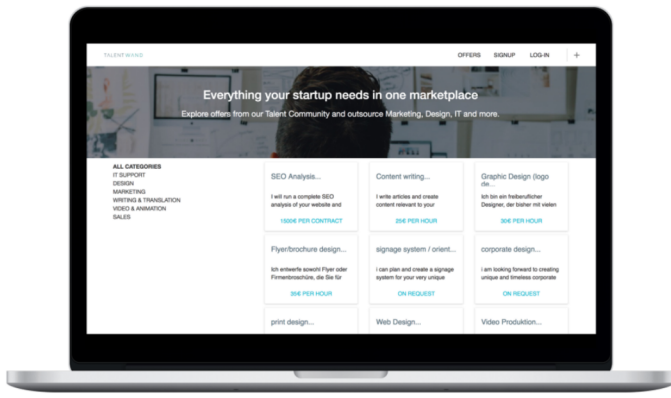

Shared Economy (Two-sided)

Two-sided marketplace allows you to bring your users - sellers and buyers - together in one platform.

Why VQ-Marketplace?

We provide you with a scalable technology that allows you a quick set up and configuration which will speed your time-to-market.

Showcase
